FATHER MULLER COLLEGE OF NURSING

1. HISTORICAL BACKGROUND OF THE INSTITUTION

Father Muller College of Nursing is a unit of Father Muller Charitable Institutions a Registered Society sponsored by the Catholic Diocese of Mangalore ; is a Religious Minority Educational Institution established primarily for the benefit of the members of the Christian Community. It is open, like all other Educational Institutions under Catholic auspices, to all persons irrespective of religion, caste or community and is affiliated to Rajiv Gandhi University of Health Sciences, Karnataka, Bangalore and Recognized by Nursing Council of India.

Father Muller Charitable Institutions (FMCI) had a very humble beginning in the year 1880, when Fr Muller, a German Jesuit missionary started dispensing Homoeopathic medicines to the ailing poor under a banyan tree. Though it was started as a leprosy hospital, as need arose, an Allopathic Hospital was started and the care was extended to all patients suffering from various diseases.

Gradually the tiny mustard seed of Fr Muller' humanitarian service took deep roots and branched out to be a full grown tree. Today it has become a vast health care complex consisting of 1250 beds with all specialists and some of the super-specialities.

The Nursing Department was staffed by a band of dedicated women of the locality for the first few years. Thereafter, the Sisters of Charity associated themselves with the good work of Father Muller Charitable Institutions from 1898 onwards and have been rendering dedicated service since then. With the addition of improved medical and surgical services, professionally trained nursing personnel was a felt need of the hospital, as a response to which a School of Nursing was founded in 1959.

The year 1985 saw the birth of a Homoeopathic Medical College which boosted the morale of FMCI, being the pioneer in Homoeopathy in South India.

In 1987 the College of Nursing came into existence with the Four Year B.Sc. Nursing Degree Course to keep pace with the rapid advancement in Medical and Nursing Sciences. The Post Certificate B.Sc. Nursing Degree Course of two years duration for upgrading those with Diploma in General Nursing and Midwifery was started in 1988.

In 1991 the Institution ventured upon an Institute of Medical Education and Research with a Post Graduate Programme in Dermatology (M.D., D.V.D. & D.N.B.) while in the year 1993 it was extended to 8 other specialities of medicine, namely: General Medicine, General Surgery, Orthopaedics, Ophthalmology, Obstetrics & Gynecology, Paediatrics, Psychiatry and Anesthesiology.

As a response to the pressing need of the profession for teachers and Nurse leaders as it was keenly felt all over the country, a Post Graduate Degree Programme in Nursing namely M.Sc. Nursing was started in 1992.

The Year 1994 and 1995 added another feather on the cap, when FMCI ventured upon three new University Degree programmes in the paramedical field, namely, the Bachelor of Physiotherapy, Radiography and B.Sc. in Medical Laboratory Technology all under the same roof of the Institute of Medical Education and Research. The year 1996-97 saw the dawn of Post Graduate studies in Hospital Management, and in 1998-1999 Post Graduate degree studies M.D. in Homoeopathic Medicine and M.Sc. in Psycho-Social Rehabilitation. FMCI had a full fledged Medical College in 1999 when it started a MBBS course. Allied health science courses were added in the year 2008.

All the Nursing courses together with the medical and paramedical courses offered by Father Muller Charitable Institutions contribute not only towards the diverse health needs of the local people, but also caters to Quality Patient Care as well as towards preparing Quality Health Care Personnel for the entire country and abroad.

2. GOAL

Fr Muller's spiritual ideals and ethos reflecting Christian love permeate at all levels of activities of Father Muller Charitable Institutions of which the College of Nursing is a unit. This Institution with the motto "Heal and Comfort" continues to provide service to all especially to the most needy and the poor, impelled by the Spirit of the Divine Healer.

The College professes the motto "Search ... Share ... Care ... ". SEARCH for newer knowledge and newer ways to discover the real needs of human person through research. SHARE this knowledge with others through Nursing Education and develop skills in providing Quality CARE to the clients with a Holistic approach without distinction

of caste, colour or social status.

We uphold and instil Respect for Life and Human dignity of a person from conception to death.

The faculty of the College of Nursing believes in providing nursing education based and built on scientific principles and sound educational theory and practice in order to prepare professionally qualified nurses, who will be able to function as a team member, in all health care agencies in the role of a practicing nurse. The graduate with experience can rapidly move into leadership positions in Nursing Education, Nursing Service and Administration.

We promote all-round development of the students with special emphasis on human, moral, psychological, cultural, intellectual and spiritual aspects which is required to prepare a professional nurse who will be a contributing citizen and an effective "change agent" in an ever changing society.

Being aware of the pressing need of the profession we are committed to providing post graduate education to those nurses who have the potential and motivation to become nurse educators, administrators, clinical specialists and research workers who will be able to contribute towards professional excellence by meeting the issues and challenges confronting the nursing profession today.

3. OBJECTIVES

M.Sc. Nursing Degree Course

1. Provide quality care to patients / clients at various settings such as hospital, community and other health care agencies based on problem solving approach and evidence based care.
2. Assume leadership positions in Nursing Service, Education and Administration with a high level of professional knowledge and competency.
3. Disseminate nursing research findings for raising the health status of the community and standard of the profession.
4. Bring about changes in the area of nursing practice with a democratic approach.
5. Contribute towards development of self and others through continuing education and establish professional relationship with individuals, families and organizations.

6. Practice ethical values in their personal and professional life, rendering nursing service in a committed manner with the spirit of Jesus Christ and that of the Founder Fr Muller specially to the deprived of the society.

It is also not possible to grant them an interview in this connection. All decisions or actions taken by the Management are final and not subject to review.

10. GENERAL DISCIPLINE

Nursing Profession, which demands altruistic service from its members, exacts self discipline at a personal level and general discipline in the campus. Therefore:

- 10.1 Regular attendance as well as punctuality is expected from the students at lectures, demonstrations, practicals, field work and other such academic exercise as well as experiences. They are required to attend allotted working periods in each of the prescribed subjects.
- 10.2 Students should wear the prescribed complete uniform for duty.
- 10.3 A sense of decorum and discipline is expected to every student in the college, hospital as well as in the entire campus. **Ragging is strictly prohibited.** They shall not indulge either individually or collectively, in any form of activity that will bring down the good name of the Institution / Nursing profession. No person who is a student in a educational institution including an institution under the direct management of the University or of the Central Government shall commit ragging. Any person who contravenes subsection shall, on conviction, be punished with imprisonment for a term which may extend to one year with fine which may extend to rupees two Lakh or with both (RGU code of rules on Anti-Ragging).
- 10.4 Students will strive at all costs to be loyal to the Ethos of the Institution and to promote its image and status by a humane, ethical and professional code of conduct. Failure to follow these and such other regulations will necessitate the management to take disciplinary action as deemed fit.

11. FEES

- 11.1 The fees will be charged based on the expenses incurred on education and other facilities offered. Students are expected to meet the expenses.
- 11.2 Fees are payable as per the approved rates prescribed from time to time. Fees are liable to be change every year. Revision will be made applicable to all.

COLLEGE OF NURSING ANTHEM

*We seek to grow in benign ministry
At this institute of renowned history,
Stirred by Augustus Muller's great bequest
To give of our nurturing best.
We strive to always be gentle and kind,
God's work to do among sick humankind
Pain to relieve, discomfort mitigate
To wellness rehabilitate.*

Chorus

*Onward we go, ignited with zeal
To succor the sick, to comfort and heal;
And ever serve with cheerful smile,
Care, share and dare the challenging while.*

*Nightingale's cap reassures in distress
A symbol to soothe when afflictions oppress;
Tender yet competent- that's how to blend
Our manner on those whom we tend.
We aim to build up a most treasured wealth
Of people enjoying their vigor and health,
Life's priceless value to firmly uphold:
Our mission in letters of gold.*
