## Seminar on 'Enhancement and Sustenance of Internal Quality Assurance System'.

One day seminar was organized by the IQAC of Father Muller College of Nursing on 16.05.2015 for the faculty and students on the Theme 'Enhancement and Sustenance of Internal Quality Assurance System'. The Seminar for the faculty started at 9.00am on the topic 'Role of IQAC in quality enhancement of nursing education and clinical practice' by Dr Denis Fernandes, IQAC Coordinator, St Aloysius College, Mangaluru. Dr Denis explained in detail with examples, the faculty participation in designing the curriculum, teaching learning process, research, consultancy, student support system and innovation & best practices. He elaborated on day today functioning of IQAC in their College. He briefed on the second topic of the day, 'ICT: A strategy for quality sustenance in teaching learning process'. The seminar ended at 12.15pm with vote of thanks and handing over the memento to the resource person.

The seminar for the students began at 2.00pm at Academy hall. Dr. Malini Hebbar was resource person for the topics 'Student participation in quality assurance' and 'Promotion and sharing of best practices among the student and faculty in the Institution'. The IQAC coordinator Mrs Savitha Pramilda Cutinho introduced the Resource Person and welcomed her with a floral bouquet. Dr Malini Hebbar conducted interactive session with brain storming games and puzzles. She described and motivated the students regarding their role as a whole and not as a part, the social responsibility, their involvement in the best practices and quality assurance system. The seminar ended at 4.00pm with vote of thanks and handing over the memento.
