NOTICE TO HOSTELITES & PARENTS

We are pleased to inform you that the Management has introduced a new system of biometric attendance in all the Hostels. **All the hostelites are informed to mark their attendance between 8.00 p.m. to 9.00 p.m. everyday in their respective floors.**

Students who are studying in the Library are requested to punch the biometric in the Library itself.

After 8 pm, any movement of Entry and Exit in the Hostel and Library, students are requested to use the main door biometric machine for their movement.

If anyone does not mark their attendance, message will be delivered to the parents regarding the non punching of the attendance. This will inform the parents that their ward is not in the hostel or not reported back to the hostel. Non compliance of punching by the students will be viewed seriously and disciplinary action will be taken.

Parents are requested to take note of this and also to monitor their wards.
