Sub: Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Radiotherapy) qualification against increased intake from 01 to 03 seats in respect of students being trained at Father Muller Medical College, Mangalore.

Sir/ Madam,

I am to state that the General Body of this council at its meeting held on 30/03/2016 considered the Council Assessor's report (October, 2015) on the standard of examination and other teaching facilities available at Father Muller Medical College, Mangalore for purpose of Recognition of MD(Radiotherapy) qualification against increased intake from 01 to 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Council approved the following recommendations of the Postgraduate Committee, which I am directed to convey herewith for your information and necessary action:-

"The Postgraduate Medical Education Committee considered the Council Assessor's Report (October, 2015) and decided to recommend to the Central Government that MD(Radiotherapy) qualification against increased intake from 01 to 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Father Muller Medical College, Mangalore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

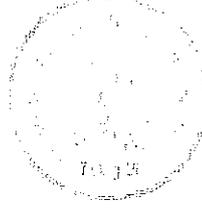

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

A copy of assessment report is enclosed herewith.

Yours faithfully,

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The text notes that without reliable records, it would be difficult to verify the accuracy of financial statements and to identify any irregularities.

2. The second part of the document focuses on the role of internal controls in ensuring the reliability of financial information. It describes how internal controls are designed to prevent errors and to detect any unauthorized transactions. The text highlights that internal controls should be tailored to the specific needs of the organization and should be regularly reviewed and updated to reflect changes in the business environment.

3. The third part of the document discusses the importance of transparency and accountability in financial reporting. It notes that transparency allows stakeholders to make informed decisions based on the financial information provided. The text emphasizes that organizations should be open and honest in their reporting, and should not attempt to manipulate or misrepresent the data.

4. The fourth part of the document addresses the challenges of financial reporting in a complex and rapidly changing world. It notes that organizations face a variety of challenges, including the need to comply with changing regulations, the increasing complexity of financial transactions, and the need to integrate financial data with other business systems. The text suggests that organizations should focus on building a strong foundation of internal controls and transparency to overcome these challenges.

5. The fifth part of the document discusses the role of technology in financial reporting. It notes that technology has the potential to revolutionize the way financial data is collected, processed, and reported. The text highlights that organizations should embrace technology and invest in the necessary infrastructure to support their financial reporting needs. It also notes that technology can help to improve the accuracy and reliability of financial data, and can provide valuable insights into the organization's financial performance.
